*A wealthy man decided to go on a safari in Africa.* He took his faithful pet dachshund along for company. One day, the dachshund starts chasing butterflies and before long the dachshund discovers that he is lost. So, wandering about, he notices a leopard heading rapidly in his direction with the obvious intention of having him for lunch. The dachshund thinks, "OK, I'm in deep trouble now!" Then he noticed some bones on the ground close by, and immediately settles down to chew on the bones with his back to the approaching cat. Just as the leopard is about to leap, the dachshund exclaims loudly, "Boy, that was one delicious leopard. I wonder if there are any more around here." Hearing this, the leopard halts his attack in mid-stride, as a look of terror comes over him, and slinks away into the trees. "Whew," says the leopard. "That was close. That dachshund nearly had me." Meanwhile, a monkey, who had been watching the whole scene from a nearby tree, figures he can put this knowledge to good use and trade it for protection from the leopard. So, off he goes. But the dachshund saw him heading after the leopard with great speed, and figured that something must be up. The monkey soon catches up with the leopard, spills the beans and strikes a deal for himself with the leopard. The leopard is furious at being made a fool of and says, "Here monkey, hop on my back and see what's going to happen to that conniving canine." Now the dachshund sees the leopard coming with the monkey on his back, and thinks, "What am I going to do now?" But instead of running, the dog sits down with his back to his attackers, pretending he hasn't seen them yet . . . and, just when they get close enough to hear, the dachshund says . . . "Where's that darn monkey? Sent him off half an hour ago to bring me another leopard."

**Don't Say This To A Cop:** I can't reach my license unless you hold my beer. Gee, Officer! That's terrific. The last officer only gave me a warning, too!

**Jasper was speeding along the Interstate Highway when he was pulled over by a State Trooper.** *The officer wrote out the ticket and handed it to him. "What am I supposed to do with this?" grumbled Jasper as the policeman handed him a speeding ticket. "Keep it," said the officer. "When you collect four of them you get a bicycle."*

**WIFE:** *"There's trouble with the car. It has water in the carburetor."* **HUSBAND:** *"Water in the carburetor? That's ridiculous."* **WIFE:** *"I tell you the car has water in the carburetor."* **HUSBAND:** *"You don't even know what a carburetor is. I'll check it out. Where's the car?"* **WIFE:** *"In the pool."*

**Attending a wedding for the first time, a little girl whispered to her mother, "Why is the bride dressed in white?"** *"Because white is the color of happiness, and today is the happiest day of her life." The child thought about this for a moment, then said, "So why is the groom wearing black?"*

**A man placed some flowers on the grave of his dearly departed mother and started back toward his car when his attention was diverted to another man kneeling at a grave.** *The man seemed to be praying with profound intensity and kept repeating, "Why did you have to die? Why did you have to die?" The first man approached him and said, "Sir, I don't wish to interfere with your private grief, but this demonstration of pain is*

more than I've ever seen before. For whom do you mourn so deeply? A child? A parent?" The mourner took a moment to collect himself, then replied, "My wife's first husband."

**A woman decided to have her portrait painted.** *She told the artist, "Paint me with diamond rings, a diamond necklace, emerald bracelets, a ruby broach, and gold Rolex." "But you are not wearing any of those things," he replied. "I know," she said. "It's in case I should die before my husband. I'm sure he will remarry right away, and I want his new wife to go crazy looking for the jewelry."*

**A young man decided to join the police force.** *As a recruit he was asked during the exam, "What would you do if you had to arrest your own mother?" He answered, "Call for backup."*
